

IN-STATE TUITION EXPANDS IN CALIFORNIA

AB 540 remains in place and in-state tuition is expanding! Now, through a new law, SB 68, more students will be able to pay in-state tuition and get state-based financial aid.

SB 68 benefits students who didn't go to three years of high school in California

SB 68 will allow students to count full-time attendance at a California Community College (up to two years max), adult school, high school, or a combination of these schools to meet the three years required to be eligible for in-state tuition.

SB 68 benefits students who don't have a California High School Diploma or didn't get their GED in California

Students will be able to use an Associate's Degree or the fulfillment of the minimum transfer requirements for the UCs or CSUs to meet the requirements.

ELIGIBILITY CRITERIA

Undocumented individuals, T and U visa holders, U.S. citizens, & lawfully present immigrants who meet the eligibility criteria above can apply if their classes were taken in 2001 or after. Individuals with international student visas, visitor visas, or other "non-immigrants" statuses are not eligible to apply.

WHAT'S NEXT?

Starting in 2018, students will be able to apply for SB 68 eligibility to get in-state tuition and apply for state-based financial aid through the California Dream Act at California Community Colleges, CSUs, and UCs!
